PROGRAM--FULL-DAY DAYCARE

October

Thanksgiving

The air is getting crisp, the leaves are putting on a spectacular show, and we can feel the cozy magic of autumn all around us! This is the time of year that we learn about Thanksgiving and share our gratitude!

Pumpkins & Apples

In the middle of this month, we're diving into two of the season's most iconic symbols: pumpkins and apples! Our outdoor playground will transfer into a pumpkin patch. And we'll be scooping out pumpkin guts and seeds for a gooey and fun experience. Also, we'll explore different types of apples and life cycle of how an apple grows from a tiny seeds to a tree.

Halloween

We love a fun, and not-so spooky Halloween week. The class will have lots of engaging activities and centres to keep our little ones learning and having fun during this crazy holiday!
