PROGRAM--HALF DAY CHILDCARE/PRE-K

JUNE

Summer Fun

The season of sunshine, laughter, and outdoor adventures is finally here! We are so excited to embrace the warm weather and all the joy it brings. This month, we will dive into fun arts and crafts and playful learning activities to keep little ones engaged, curious, and having a blast!

Father's Day Party & Graduation Ceremony

Father's day is just around the corner, and we are excited to celebrate all the amazing dads, grandpas, uncles, and father figures who make our little ones' lives so special! For our preschool/daycare friends who are graduating and moving on to kindergarten this year, we'll have a graduation ceremony to celebrate their achievements and this big milestone in their lives!

The Ocean

By the end of this month, we will explore the magical world of oceans, sea creatures, crafts, and hands-on learning. (Did you know, the octopus is considered one of the smartest sea animals. It can untie knots, open jars and even escape from aquariums!)
